Versalette™ - 37" Wide

Versalette™ features a durable, user friendly design which is both functional and compact. The Versalette™ includes a bedpan washer and vitreous china toilet with a toilet cover that doubles as a bedside seat.

Cabinet surface is high pressure laminate. Specify desired color selection. Interior surfaces are stain-resistant melamine laminate. Corners are rounded with soft edges. Cabinet features a unique angled door which swings open to allow access to the bedpan washer and toilet tissue holder. Cabinet includes a pivoting, padded toilet cover and back rest which doubles as a bedside seat. Seat color selection is determined by factory. Base molding for the cabinet is by others.

Countertop is finished with high pressure laminate and features rounded corners. Specify desired color selection.

Toilet is a wall mounted, siphon jet, white vitreous china style and features an elongated bowl, 1.6 Gallons Per Flush and self-sustaining white hinged seat. Required wall carrier is by others.

Hydraulic Flush Valve is provided for installation within the wall and includes an access panel to allow for service. Minimum required flow pressure is 25 PSI.

Bedpan Washer is concealed within cabinet and includes a hand-held bedpan washer with volume control, positive shut-off and stainless steel hose. **An elevated pressure type vacuum breaker by others is recommended with this feature to prevent back-siphonage or backflow occurring and possibly contaminating the water supply. Consult local codes and ordinances for requirements.**
