Meridian Corterra™ Curved Front Tri-Basin - ADA Compliant

Meridian Corterra™ Curved Front Tri-Basins are engineered to combine the look and feel of commercial-grade designer basins and countertops with the durability and economy of group fixtures. Each standard height Washbasin complies with ANSI, UFAS and ADA requirements. Compliance is subject to the interpretation and requirements of the local code authority.

Countertop, Basin and Integral Sprayhead are constructed of Corterra™ cast polyester resin (with aluminum trihydrate and other fillers) and conform with ANSI Z124.3 and ANSI Z124.6. Standard color furnished is Smoky Granite Gray. See options for available color selections. Integral sprayhead includes an access panel and vandal resistant spray nozzle. Basin includes overflow, grid strainer, waste piping and 1-1/2" P-trap.

- **H Hand Operation** includes a pressure balancing mixing valve, integral sprayhead with a 0.5 GPM flow control and a metering Air-Control deck mounted pushbutton.

- **SO Sensor Operation** includes an individual solenoid valve activated by an infrared sensor with a pressure balancing mixing valve and integral sprayhead with a 0.5 GPM flow control. A plug-in transformer is included.

Pressure Balancing Mixing Valve delivers constant water flow by compensating for pressure fluctuations. Valve is to be field set to 105° Fahrenheit and includes checkstop and strainer assemblies. Operating range is 30 - 100 PSI.

Off-Floor Models include a trap enclosure to conceal hot and cold mixing valve assembly and P-trap with 14 gage stainless steel frame and gray vinylclad, galvanized steel enclosure. Washbasin conforms to ANSI Z124.3 and ANSI Z124.6 load ratings. Wall requires adequate backing to support Washbasin.

On-Floor Models include a pedestal base with 14 gage stainless steel frame, stainless steel scuff panel, and gray vinylclad, galvanized steel enclosure. Enclosure conceals valves, piping, supply and waste connections. Washbasin base conforms to ANSI Z124.3 and ANSI Z124.6 load ratings. Pedestal Base is wall mounted and supported on-floor.

- **PDM Pump Type Soap Dispenser** is optionally available for liquid and lotion type soaps. Dispenser is deck mounted with an under-the-counter reservoir and top refill feature for ease of maintenance.

GUIDE SPECIFICATION

Meridian Corterra™ Curved Front Three-Person Washbasin by Acorn (Specify model number and options). Unit with 34" standard height rim to conform with ANSI, UFAS and ADA Accessibility Standards. Provide integral round basin (15-3/4" x 5" deep) each with an integral, rear overflow. Basins, countertop, backsplash and sprayheads to be constructed of (Specify color) Corterra™ cast polyester resin (with aluminum trihydrate and other fillers). Washbasin shall conform to ANSI Z124.3 and ANSI Z124.6. Spray nozzle to be vandal resistant. Provide sprayhead access panel. Wall mounted pedestal frame to be constructed of heavy gage, stainless steel and shall conform to ANSI Z124.3 and ANSI Z124.6 load ratings. Enclosure to be constructed of vinylclad galvanized steel. Provide heavy gage, type 304 stainless steel scuff panel. Operation: (Specify) Provide individual solenoid valve activated by infrared sensor with plug-in transformer. Washbasin to be furnished complete with the following: pressure balancing mixing valve, checkstops, supply and waste connections to the wall and 1-1/2" P-trap.

Meridian 3773: Meridian Corterra™ Curved Front Tri-Basin - ADA Compliant

BASE MODEL NUMBER (Must Specify)

- 3773 Meridian Corterra™ Curved Front Tri-Basin

FIXTURE MOUNTING & WASTE (Must Specify)

- 1 Off-Floor, Wall Outlet
- 2 On-Floor, Wall Outlet

OPERATION (Must Specify)

- 9 Less Sprayheads and Valves (Only Available with -RLD Basin)
- H Hand Operation
- PBE Pushbutton Electronic Metering
- SO Sensor Operation
- RLD Molded-in "D" Shape Corterra Basin Less Sprayheads, Less Valves. Specify Punching Below.

Product Options

- BAT Battery Operated (- SO)
- ECL 10-1/8" Extended Countertop - Left Hand
- ECR 10-1/8" Extended Countertop - Right Hand
- JH 30" Junior Rim Height
- LSA Left Side Apron (Only Available with - ECL)
- LSS Left Side Splash (Only Available with - ECL)
- MXT Hot & Cold Thermostatic Mixing Valve
- OCC Optional Corterra™ Color - Specify: _____
- PDM Metering Liquid Soap Dispenser
- RSA Right Side Apron (Only Available with - ECR)
- RSS Right Side Splash (Only Available with - ECR)
- SES Scalloped Enclosure Style
- SPX 16 Gage Stainless Steel Enclosure
- ST Single Temperature Valve
- VP Vinylclad Enclosure - Specify: __ Gray (Std.) __ Black __ White

VALVE PUNCHING

(Specify When Valve by Others with - RLD Basin and - 9)

- H1 Single Hole Centered
- H24 Two Holes Centered 4" C/C
- H34 Three Holes 4" Centerset
- H38 Three Holes 8" Centerset

VALVE OPTIONS

- CSG 4" Centerset Faucet with Gooseneck Spout and Wristblade Handles (Only Available with - RLD Basin & - H34)

Please visit www.acorneng.com for most current specifications.

- NOTES:
1. Optional -EC Extended Countertop.
 2. Integral Sprayhead.
 3. -SO Sensor Operation.

4. Optional -SES Scalloped Enclosure.
5. On Floor Pedestal.
6. Stainless Steel Scuff Panel.
