

Option -ECL/ECR

Extended Countertop Left Hand / Right Hand -

This option provides additional countertop space to the left or right side of the basin. This counter space may be used to offset a basin from an adjacent side wall or as a toiletry shelf.

See Basin submittal sheets for extended lengths.

Note: 3770-3773 Series are provided with an open end standard.

Please visit www.acorneng.com for most current specifications.
