

Option -PDM

Metering Liquid Soap Dispenser -

This option provides an individual deck mounted pump dispenser for each basin (Meridian) or every other station (Wash-Ware). Dispenser features anti-rotation pin to maintain discharge nozzle over basin. Option includes a reservoir featuring a separate refill. Not available for Corterra Kurve washbasins model number: 3791, 3792 and 3793.

Please visit www.acorneng.com for most current specifications.
