

## Meridian® 3753 Series

Meridian Corterra® Hi-Lo Tri-Basin - ADA Compliant

3753-1-HLH-SO

Fixture May Show Some Available Options

Please visit [www.acorneng.com](http://www.acorneng.com) for most current specifications.

### Meridian Corterra® Hi-Lo Tri-Basin - ADA Compliant

**Meridian Corterra® Hi-Lo Tri-Basins** are intended to be mounted to accommodate ADA. Hi-Lo washbasins are constructed of Corterra® recycled solid surface polymer resin and combine the look of granite and the feel of commercial-grade designer basins. Adequate wall backing is required to support this wall mount, off-floor washbasin fixture. When mounted 34" at finished floor, at least one station would comply with ANSI, UFAS and ADA requirements. Alternatively, the unit may be mounted at the height to comply with ADA requirements for children. Compliance is subject to the interpretation and requirements of the local code authority.

**Trap Enclosures** are included and conceal hot & cold mixing valve, supply and waste connections. Enclosures are fabricated of 18 gage, type 304 stainless steel with a satin finish engineered to provide a profile that complies with ADA.

**Mounting Brackets** are included and are of 11 gage galvanized steel with rear anchoring slots. Adequate wall backing is required.

**Counter with Integral Basins** are constructed of Corterra® recycled solid surface polymer resin and is ICPA SS-1 approved. Corterra® uses a minimum of 15% post-consumer recycled material and a minimum 5% rapidly renewable material derived from bio-based sources. Fixture includes no-drip edges, integral overflows, grid strainers and continuous waste piping with 1-1/2" single P-trap.

**-SO Sensor Operation** is standard, ADA compliant and includes infrared spout, 0.5 GPM flow control, solenoid valve with a T/P balancing mixing valve. A plug-in transformer is included; however, for optional battery powered sensors, a battery box is provided.

**T/P Balancing Mixing Valve** is ASSE 1070 compliant and delivers constant water flow by compensating for temperature and pressure fluctuations. Valve is to be field set to 105° Fahrenheit and includes integral checks and strainers to prevent cross-flow and contamination. Operating range is 30 - 100 PSI.

**-PDM Pump Type Soap Dispenser** is optionally available for liquid and lotion type soaps. Dispensers are deck mounted with under-the-counter reservoirs and top refill feature for ease of maintenance.

#### GUIDE SPECIFICATION

Meridian Corterra® Hi-Lo Three-Person Washbasin by Acorn (Specify model number and options). Unit mounted with standard height conform with ANSI, UFAS and ADA Accessibility Standards. Counter and individual integral basins to be constructed of Corterra® recycled solid surface polymer resin and conform to ANSI Z124.3 and ANSI Z124.6 load ratings. Basins shall be located on 30" centers. Trap enclosures to be constructed of heavy gage, type 304 stainless steel with satin finish. Washbasin to be furnished complete with -SO Sensor Operation & provide solenoid actuated valves with deck mounted infrared spouts, ASSE 1070 compliant temperature/pressure balancing mixing valve with integral checks and strainers continuous waste with 1-1/2" single P-trap.

# Meridian® 3753: Meridian Corterra® Hi-Lo Tri-Basin - ADA Compliant

## BASE MODEL NUMBER

3753 Meridian Corterra® Hi-Lo Tri-Basin

## FIXTURE MOUNTING & WASTE

-1 Off-Floor, Wall Outlet

## DECK / BASIN CONFIGURATION (Must Specify)

- HLH Hi-Lo-Hi Deck Configuration
- LHL Lo-Hi-Lo Deck Configuration

## OPERATION (Must Specify)

- 9 Less Spout and Valves  
(Must Specify Punching if Required)
- H Hand Operation with Deck Mounted Pushbutton
- PPZ Programmable Piezo Button Electronic Metering - Deck Mounted
- SO Sensor Operation with Deck Mounted Spout & ASSE 1070 T/P Valve (Standard)
- SO-BAT Sensor Operation, Battery Powered with Deck Mounted Spout & ASSE 1070 T/P Valve (Batteries Not Included)

## CORTERRA® COLOR OPTIONS (Must Specify)

Color: \_\_\_\_\_  
(Refer to [www.acorneng.com](http://www.acorneng.com) for available colors, keyword search: CORTERRA)

## VALVE PUNCHING FOR VALVE BY OTHERS

- (Must Specify with -9)  
(1-5/16" Diameter Hole Punching)
- H1 Single Hole; On Center
  - H24 4" Centerset; Two Holes
  - H34 4" Centerset; Three Holes
  - H36 6" Centerset; Three Holes
  - H38 8" Centerset; Three Holes

## PRODUCT OPTIONS

- EG Enviro-Glaze (Enclosure), Color: \_\_\_\_\_
- PDM Metering Liquid Soap Dispenser
- ST Single Temperature Supply

Please visit [www.acorneng.com](http://www.acorneng.com) for most current specifications.

- NOTES:  
1. DECK MOUNTED SENSOR OPERATED SPOUT  
2. TRAP & PIPING ENCLOSURE  
3. LOWER STATION ADA COMPLIANT WHEN INSTALLED 34" AT FINISHED FLOOR
