

## Option -DML

### Deck Mounted "L" Spout -

This option provides a pushbutton operated, stainless steel tubular spout with satin finish. "L" Spout is deck mounted and extends over bowl to utilize entire basin. Spout discharge height is 3-1/2" from deck and includes a .5 gpm aerator.

**FYI:** This option additionally available with the **-SO** Sensor Operation or the **-SO-BAT** Battery Powered Sensor Operation options. Use of these additional options provides "Hands-Free" washing and includes an infra-red sensor, solenoid water valve, mixing valve and transformer.
