

## Option -EVSP2

### Electronic Valve System Hot & Cold with Piezo Pushbuttons -

This hot & cold valve is for use with the Master-Trol Valve Controller. The 24VAC solenoid, soft closing valve feature piezo touch activation and is provided with a stainless steel strainer and integral checkstop. The Piezo buttons have no moving parts and are touch activated. When the Piezo buttons are touched this closes the circuit and activates the controller which activates the valve. Valve conforms with the lead free requirements of NSF61, Section 9, 1997; Federal Public Law 111-380 and ADA requirements. Refer to EVS catalog sheets regarding Master-Trol options and technical data.

**Optional** -BRS Brass Valve Body & checkstop assembly also available, provides the lead free requirements of NSF61, Section 9, 1997; Federal Public Law 111-380 and ADA requirements.
