

Option -SLE

Sloped Front Enclosure -

This option provides a sloping, straight front enclosure for 3700 series -1 Off-Floor Straight Front Stainless Washbasins and is provided standard with -2 On-Floor Straight Front Stainless Steel Washbasins. This option is NOT available for Curved Front Washbasins. Enclosure conceals valve, waste piping and bottom of unit. Enclosure frame is fabricated from heavy gage, type 304 stainless steel. Enclosure panels are fabricated from black vinyl clad, galvanized steel standard. Vinyl clad panels are optionally available in gray, white (-VP) or stainless steel (-SPX).
