

Option -VG3

Ventilation Grille -

The **-VG3** side pattern for rectangular cabinets, measuring 8-3/4", provides a free area of 20 square inches.

An integral grille punching can be provided on most Penal-Ware cabinet showers, combys, and lavatories, making economical use of the wall opening behind the fixture for room ventilation. They are regularly furnished with 1/4" square holes located on 1/2" centers, which are punched into the cabinet.
