

Option -WDS

Floor Mounted Stool -

When this option is selected, a floor mounted stainless steel stool is provided. The compact stool is designed to perform service at home, in prayer or multi-faith rooms, mosques or wherever space is limited. The -WDS is fabricated of type 304 stainless steel with exposed surfaces polished to a #4 satin finish. The mounting base plate includes $\text{Ø}3/8'' \times 1/2''$ long slot punching for anchoring to floor. Floor anchors and anchoring hardware are provided by the installer.
