

# Take Students' Safety Seriously

WITH ACORN® WASH-WARE® PRODUCTS

 MORRIS GROUP INTERNATIONAL

[WWW.MORRISGROUPINT.COM](http://WWW.MORRISGROUPINT.COM)

Schools often overlook one of the biggest dangers to student health:

# GERMS.

Students are exposed to an immense number of germs each day. Sharing equipment during science lab or gym class, playing on the playground, and even sharing tables at lunch time can all contribute to the spread of germs.

Acorn Wash-Ware provides vital hand washing stations for schools.

- Playground
- Gym class
- Art Studio
- Lunchroom

Perfect for Schools

- Provides hand washing capabilities for up to six students simultaneously (MODEL NO. 3506)
- Stations can be easily disabled to increase distance between users
- Hands-free washing with sensor- and foot-operated models
- Suitable for indoors or outdoors
- Designed to be vandal resistant
- Constructed from heavy-duty stainless steel

## Semi-Circular Wash-Ware® Fountains

### An effective way to instill healthy habits in students

In addition to traditional subjects like math, science, and reading, school is also where students learn or reinforce life skills. Hand washing is a vital life skill, and emphasizing hand washing before eating, changing classrooms, or playing outside is key to instilling lifelong healthy habits.

### Stocked and ready to ship!

The Acorn Kwik Ship™ program is designed to get you the products you need fast. Get in touch today for a full list of our ready-to-ship hand washing stations and sinks!
